

Nvidia NVDA

- * Daily position started shaving off in June, predating the price fluctuation, resulting in higher return per unit of risk. <https://tsterm.com/?q=NVDA>

Go-to-Market Plan

- * Key Strength:
 - * Our platform ranks highly for its extensive and engaging content.
- * Targeting young savers aged 18-35:
 - * **Seminars and Coaching:** Offering sessions on basic personal finance to educate and engage this demographic.
 - * **Content Consistency:** The platform's content mirrors the approachable and relatable language used in seminars, ensuring a seamless user experience.
