## Go-to-Market Plan

- Key Strength:
  - Our platform ranks highly for its extensive and engaging content.
- Targeting young savers aged 18-35:
  - Seminars and Coaching: Offering sessions on basic personal finance to educate and engage this demographic.
  - Content Consistency: The platform's content mirrors the approachable and relatable language used in seminars, ensuring a seamless user experience.

## Revenue model

- Revenue streams:
  - 0.15% annual fee on asset under management (AUM) for savers aged 35 and under
  - 0.35% annual fee on AUM for savers aged over the age of 35
- Competitive advantage:
  - Industry-standard fees can go up to 0.50% on AUM, positioning our platform as a more affordable solution.
